### Library Director's Report January 14, 2015

#### Updates:

• Illinois State Library Advisory Committee budget discussion: The Secretary of State's Office is currently preparing their FY16 proposed budget and awaits additional instructions from the new administration. Currently, they are preparing a zero growth budget. As a result of the expiration of the income tax increase, the State's FY15 budget has a funding gap. It is anticipated that bill payments will be delayed and lag into the next fiscal year which begins July 1<sup>st</sup>. As additional information is received, budget adjustments will be made. The Evanston Public Library spends our annual State grant funds on library collections.

• Some feedback from Connie regarding our special day of service at CAMS on January 8<sup>th</sup> as a response to the cold weather:

"We had one man come in who lived nearby, and he had heard that we were open and was very glad that we were. He came in the morning to read the paper and returned later in the day to use the computers. Others had either heard or had just stopped in forgetting that we are normally closed on Thursdays. I remember a woman who looked particularly cold. She came in to return materials but decided to stay for about fifteen minutes to warm up before going home.

Another woman who uses us frequently was meeting someone nearby and stopped in to use the internet having forgotten that we are usually closed. My thanks to Connie and Ranae who volunteered to staff CAMS last Thursday.

• For the second year in a row, our circulation of all materials exceeded 1 million items. In 2014 we circulated 1,012,117 items of all types. Our circulation of online materials rose by over 15% to 62,885 items circulated (e-books, electronic audio books and video streaming) through My Media Mall.

Please recall that the polar vortex closed all three libraries for one day in 2014, all libraries were closed on July 3<sup>rd</sup>, and our North branch was closed for a total of 20 days for all phases of the toilet room construction project. Having our circulation exceed 1 million items demonstrates that our patrons are enjoying the variety of materials that we provide.

• In 2014 the Evanston Public Library provided 89, 729 free computer sessions; welcomed 640, 121 in person visits at all three libraries and had 558,484 visitors to our website.

#### Services and collaborations:

- In December, the Evanston Public Library distributed 350 free books and issued 13 library cards at Mayor Tisdahl's annual Food and Toy distribution at Fleetwood Jourdain. Based upon the success of this initial effort, we will plan to participate each year. We were a welcome addition to the program.
- ACA Navigators will continue to provide services at the library 7 days per week through the end of March. Connections navigators are here Tuesday, Wednesday, Saturday and Sunday. PEER Services navigators are here Monday, Thursday and Friday. Early results and a comparison to 2013 show increased interest and enrollments:
  - ACA enrollment
    - 2013 open enrollment period (10/1 3/31):
      - 84 general consultations
      - 39 enrolled in ACA or Medicaid
    - 2014 open enrollment period 11/1 -12/31 (continuing thru 2/15):
      - 126 general consultations
      - 26 enrolled in ACA
      - 30 enrolled in Medicaid
- ETHS Freshman Orientation: We will staff an information and resource table on January 14<sup>th</sup> and 15<sup>th</sup> as parents and incoming Freshman receive their orientation and enrollment information.
- In collaboration with a wonderful local writer Barb Mahany, our own resident writer and public relations guru Jill Schacter, and other panelists, we will produce a series of programs under the "Power of Words" banner. More details to come in future reports.
- Thanks to our wonderful partner Center for Economic Progress, tax preparation will be offered again at the Main Library. Please refer to the following fliers in English and Spanish for specific information:

Lecture Title: Diplomacy on the Front Lines in the Middle East

### Speaker: Nabeel Khoury, Visiting Associate Professor, Middle East and North Africa Program

**Summary:** With the media focus on military options and actions, it is easy to forget that there are American diplomats on the front lines, side by side with military personnel, often sharing the difficult tasks of protecting the national interest and taking the same risks. It is also easy to forget that diplomacy, otherwise known as soft power, is part of our arsenal and, if used early and well can obviate the need for the use of force.

**Speaker Bio:** Nabeel Khoury, who served as a U.S. Foreign Service Officer for twenty five years, shares a number of stories from his tours of duty in the Middle East, from the relatively benign environments in Casablanca, London, and Washington, to the war zones in Riyadh, Kuwait and Baghdad, and finally to his posting as Deputy Chief of Mission in Sana'a, Yemen.

- In partnership with the American Writer's Museum and the Evanston Community Foundation, EPL is displaying the traveling exhibit: From our Neighborhoods: Four Chicago Writers Who Changed America from January 2 January 30, 2015. The exhibit features the work of Gwendolyn Brooks, Lorraine Hansberry, Studs Terkel and Richard Wright and includes listening stations as well as copies of their work and information about their lives. This exhibit will be the first program highlighted under our 2015 banner "The Power of Words." Please be sure to stop on the second floor of the main library to enjoy the exhibit!
- The American Library Association's Midwinter Meeting will be held in Chicago from January 30th through February 3rd. A number of staff will attend informative sessions and learn about product innovations at the Exhibits.

#### **Excerpts from Patron feedback:**

- I just wanted to take a moment to tell you how pleased our club has been to work with Jill Skwerski this year. She has been such an asset to our ETHS YTC Advisory Committee, and has given us many terrific ideas and support. Thank you so much for lending her to us! It has been a great experience for our teens to partner with Jill and the library on tech outreach to seniors. We are looking forward to continuing this productive partnership in 2015.
- Please accept my thanks: as a regular library visitor for the extraordinary help of Kim Hiltwein and Karen Hansen. They are so prompt and cordial and welcoming.
- Feedback from a Haven Middle School ESL teacher about service from Kate Kniffen who renewed her books during the cold weather:

Kate, Thanks so much. I appreciate your help. This helps me with logistics. Lots of reading levels, lots of different subjects to help kids with.

I feel like we're having a good school year, and I really appreciate all the help you guys give me. Letting me keep books I'm still using, ordering books for me, and suggesting books. You are great. Thanks. Happy New Year!

• If there is a "Top Ten Best Places To Volunteer" list, the Evanston Public Library is on that list! Thank you for letting me work on a project I believe in. (I have entered that contest) Thanks for a comfortable, well-lit place to work. Most of all, my gratitude for a warm, sincere welcome and kudos to everyone who stopped by and said "hello" and "thank you."

Regarding future projects, put me on your list. If I can help, I will.

# Memorandum

To:	Evanston Public Library Board of Trustees
From:	Paul Gottschalk, Assistant Director
Subject:	Administrative Services Update
Date:	February 12, 2015

This memo provides an update on significant administrative activities.

## Human Resources

Robin Sindelar assumed additional hours as a Youth Services Library Assistant. She is now working 20 hours per week.

Bridget Petrites was hired on January 26<sup>th</sup> as a Branch Assistant at CAMS for 20 hours per week. Bridget worked for us previously in the Loft and we're thrilled to have her back.

Jennifer Wasilewski began on January 27<sup>th</sup> as an Adult Services Library Assistant working 20 hours per week.

There are several positions in different stages of the hiring process including: two parttime Youth Services Assistants, the full-time Latino Outreach Assistant, the part-time Development Associate, a part-time Branch Assistant, a part-time Shelver, and a parttime Technology Associate.

## **Financial Resources**

The financial report for the period ending December 31<sup>st</sup> is attached. This is the unaudited final report for FY2014. Revenue exceeded budget by \$152,754 and expenditures were \$189,469 below budget.

A summary of the Endowment portfolio as of January 31<sup>st</sup> is attached. The portfolio includes a significant amount of long-term Treasury Inflation-Protected Securities (TIPS) and these Treasuries have contributed to the portfolio performing well as interest rates have declined.

## Facilities Management Updates

**Lush Wine & Spirits** – John Devaney has attended two site visits with the architects and consultants hired by Mitchell Einhorn to design the store at 2022 Central. We understand they are working hard to complete construction documents. The construction timeline is to be determined.

**Main and North Branch HVAC/Air Handling System** - the engineering firm hired for the project will deliver ready-for-bid construction documents and specifications for the Main Library and North Branch by March 2<sup>nd</sup>. Construction at North Branch will be scheduled between the end of the Summer Reading Program and the beginning of school.

**Main and North Branch Weatherproofing** – a mandatory pre-bid meeting for engineering firms was held on January 29<sup>th</sup>. Three firms attended. Bids for the design work are due February 13<sup>th</sup>.

**Elevator Door Renovation** – Schindler plans to begin replacing the elevator door operators on February 23<sup>rd</sup>. This project will take two weeks to complete with one elevator out of service each week.

**Interior Space Planning** – the Library's Administrative Team spent two hours on February 12<sup>th</sup> brainstorming ideas for improving services through better uses of space throughout the Main Library.

Upon the termination of this Agreement, or upon request of the Library, during any stage of the Services, Consultant shall promptly deliver all such materials to the Library. Consultant shall not publish, transfer, license or, except in connection with carrying out obligations under this Agreement, use or reuse all or any part of such reports and other documents, including working pages, without the prior written approval of the Library, provided, however, that Consultant may retain copies of the same for Consultant's own general reference.

**G. representatives, at all reasonable time, all records respecting the services and expenses incurred by Consultant, including without limitation, all book, accounts, memoranda, receipts, ledgers, canceled checks, and any other documents indicating, documenting, verifying or substantiating the cost and appropriateness of any and all expenses. If any invoice submitted by Consultant is found to have been overstated, Consultant shall provide Library an immediate refund of the overpayment together with interest at the highest rate permitted by applicable law, and shall reimburse all of Library's expenses for and in connection with the audit respecting such invoice.

I. Indemnity. Consultant shall defend, indemnify and hold harmless the Library and its officers, elected and appointed officials, agents, and employees from any and all liability, losses, or damages as a result of claims, demands, suits, actions, or proceedings of any kind or nature, including but not limited to costs, and fees, including attorney's fees, judgments or settlements, resulting from or arising out of any negligent or willful act or omission on the part of the Consultant or Consultant's subcontractors, employees, agents or subcontractors during the performance of this Agreement. Such indemnification shall not be limited by reason of the enumeration of any insurance coverage herein provided. This provision shall survive completion, expiration, or termination of this Agreement.

Nothing contained herein shall be construed as prohibiting the Library, or its officers, agents, or employees, from defending through the selection and use of their own agents, attorneys, and experts, any claims, actions or suits brought against them. The Consultant shall be liable for the costs, fees, and expenses incurred in the defense of any such claims, actions, or suits. Nothing herein shall be construed as a limitation or waiver of defenses available to the Library and employees and agents, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.* 

At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the Library and City of Evanston has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement of any claim or suit related to this Agreement by Consultant must be made only with the prior written consent of the City Corporation Counsel and the Library, if the settlement requires any action on the part of the City or the Library.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to, *Kotecki v.* 

*Cyclops Welding Corporation,* 146 III. 2d 155 (1991). The Library and City of Evanston, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its sub-Consultants' work. Acceptance of the work by the Library will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

J. Confidentiality. In connection with this Agreement, Library may provide Consultant with information to enable Consultant to render the Services hereunder, or Consultant may develop confidential information for Library. Consultant agrees (i) to treat, and to obligate Consultant's employees to treat, as secret and confidential all such information whether or not identified by Library as confidential, (ii) not to disclose any such information or make available any reports, recommendations and /or conclusions which Consultant may make for Library to any person, firm or corporation or use the same in any manner whatsoever without first obtaining Library's written approval, and (iii) not to disclose to Library any information obtained by Consultant on a confidential basis from any third party unless Consultant shall have first received written permission from such third party to disclose such information.

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/7(2), records in the possession of others whom the Library has contracted with to perform a governmental function are covered by the Act and subject to disclosure within limited statutory timeframes (five (5) working days with a possible five (5) working day extension). Upon notification from the Library that it has received a Freedom of Information Act request that calls for records within the Consultant's control, the Consultant shall promptly provide all requested records to the Library so that the Library may comply with the request within the required timeframe. The Library and the Consultant shall cooperate to determine what records are subject to such a request and whether or not any exemptions to the disclosure of such records, or part thereof, is applicable. Vendor shall indemnify and defend the Library from and against all claims arising from the Library's exceptions to disclosing certain records which Vendor may designate as proprietary or confidential. Compliance by the Library with an opinion or a directive from the Illinois Public Access Counselor or the Attorney General under FOIA, or with a decision or order of Court with jurisdiction over the Library and the City, shall not be a violation of this Section.

K. Use of Library's Name or Picture of Property. Consultant shall not in the course of performance of this Agreement or thereafter use or permit the use of Library's name nor the name of any affiliate of the Library or City, nor any picture of or reference to its Services in any advertising, promotional or other materials prepared by or on behalf of Consultant, nor disclose or transmit the same to any other party without the implied or express consent of the Library's Director. After termination of this Agreement, Consultant shall be prohibited from using or permitting the use of Library's name nor the name of any affiliate of the Library or City, nor any picture of or reference to its Services in any advertising, promotional or other materials

L. No Assignments or Subcontracts. Consultant shall not assign or subcontract all or any part or its rights or obligations hereunder without Library's express prior written approval. Any attempt to do so without the Library's prior consent shall, at Library's option, be null and void and of no force or effect whatsoever. Consultant shall not employ, contract with, or use the services of any other architect, interior designer, engineer, consultant, special contractor, or other third party in connection with the performance of the Services without the prior written consent of Library.

**M.** Compliance with Applicable Statutes, Ordinances and Regulations. In performing the Services, Consultant shall comply with all applicable federal, state, county, and municipal statutes, ordinances and regulations, at Consultant's sole cost and expense, except to the extent expressly provided to the contrary herein. Whenever the Library deems it reasonably necessary for security reasons, the Library may conduct at its own expense, criminal and driver history background checks of Consultant's officers, employees, subcontractors, or agents. Consultant shall immediately reassign any such individual who in the opinion of the Library does not pass the background check.

Liens and Encumbrances. Consultant, for itself, and on behalf of all Ν. subcontractors, suppliers, materialmen and others claiming by, through or under Consultant, hereby waives and releases any and all statutory or common law mechanics' materialmens' or other such lien claims, or rights to place a lien upon Library or City property or any improvements thereon in connection with any Services performed under or in connection with this Agreement. Consultant further agrees, as and to the extent of payment made hereunder, to execute a sworn affidavit respecting the payment and lien releases of all subcontractors, suppliers and materialmen, and a release of lien respecting the Services at such time or times and in such form as may be reasonably requested by Library. Consultant shall protect Library and City from all liens for labor performed, material supplied or used by Consultant and/or any other person in connection with the Services undertaken by consultant hereunder, and shall not at any time suffer or permit any lien or attachment or encumbrance to be imposed by any sub Consultant, supplier or materialmen, or other person, firm or corporation, upon Library or City property or any improvements thereon, by reason or any claim or demand against Consultant or otherwise in connection with the Services.

**O. # Memorandum

To: Evanston Public Library Board of Trustees

From: Paul Gottschalk, Assistant Director

Subject: Approval of 2015 Purchase of Library Automation Services from Cooperative Computer Services

Date: February 13, 2015

## Recommended Action:

Staff recommends approval of the single source purchase of library automation services (\$92,600) and OCLC cataloging records (\$14,100) from Cooperative Computer Services (3355J N. Arlington Heights Rd., Arlington Heights, IL) for FY2015.

## Funding Source:

Funding in the amount of \$106,700 will be from the Library Fund's Technical Services Internet Solution Provider account (185.48.4835.62341).

## Summary:

Cooperative Computer Services (CCS) is a partnership providing an integrated library automation system (ILS) for the Evanston Public Library and 22 other CCS member public libraries located in the north and northwest suburbs of Chicago. This shared resource allows the member libraries to recognize significant cost savings through group purchasing power. CCS is an Intergovernmental Instrumentality formed under the Illinois state constitution to administer the system on behalf of its member libraries, which fund virtually all its activities. The City of Evanston entered into an intergovernmental agreement with CCS in 2005.

In Evanston, CCS supports 60,406 registered borrowers and the circulation of 1,056,243 items (2013 data) through the Library's selection of materials, cataloging, public catalogs, circulation (including payment of bills and fines), interlibrary loan, other resource sharing activities and access to databases inside and outside the Library by providing the technical support for the computer hardware and software infrastructure, thus saving the City the costs of maintaining a separate standalone system.

CCS libraries check out almost ten million items a year using the system, and send hundreds of thousands of books and other media back and forth to serve the needs of customers. This ILS is fully compatible with the City's computing infrastructure and uses a web-based architecture that has a minimal impact on the City's technology resources. This purchase covers the Evanston Public Library's annual share of these services.

The primary users are the library customers and staff who depend on this automated system to provide the online catalog of materials and circulation system. Customers and staff use the online catalog both in the library and remotely to determine if the library owns an item, whether it's checked out or available and where it's located; and the online circulation feature provides the mechanism for checking materials in and out, and placing holds or renewing items on-line. Because all the members of the consortium share the same ILS, Evanston customers and staff have immediate access to the catalogs of all the member libraries, greatly expanding the number of available books and other materials than would otherwise be available if the library had a standalone automation system.

### Legislative History:

The City Council approved an intergovernmental agreement with Cooperative Computer Services for the provision of library automation services in 2005.

#### IPLAR

As Secretary of State and State librarian, I commend our Illinois public libraries on the outstanding services they provide that enhance and enrich the lives of our citizens.

I truly appreciate the efforts and hard work of the 600+ Illinois public libraries in completing the Illinois Public Library Annual Report (IPLAR). The collected data provides a concise snapshot of the current status of Illinois public library services and programs. In addition, the collected information is shared nationally through the Federal-State Cooperative System (FSCS) for Public Library Data. As a result, Illinois librarians have the opportunity to compare themselves with their Illinois peers and librarians through-out the nation.

Again, thank you very much for your hard work in completing the current IPLAR, and for all the good work you do in keeping our patrons educated, entertained, and enlightened.

Sincerely, Jesse White

#### PERSONNEL (14.1 - 14.50)

Include all positions funded in the library's budget whether those positions are filled or not. Report position figures as of the last day of the fiscal year. Include only paid employees -- do NOT include volunteers.

Report personnel in the appropriate categories based on the type of library work being performed rather than on an employee's educational qualifications.

The FTE (full-time equivalent/employee) calculator utilizes the IMLS/PLSC national standard for a full-time work week as 40 hours per week. Illinois libraries should report each staff member's hours per week based on the number of hours worked. If your library considers 35-39+ hours per week as a full-time work week, then report using those figures. DO NOT inflate the hours your library considers as a full-time work week in order to force the resulting calculation to equal 1 FTE. For national comparison purposes, your library must report the total hours per week based on your local standard. For example, for an Illinois library that considers 37.5 hours per week as a full-time work week, the FTE calculation reported nationally will be .9375 or .94 rather than 1.00.
