## JOIN EPL IN A 9/11 NATIONAL DAY OF SERVICE PROJECT: BOOKS-AND-BOTTOMS BUNDLES

---

### **>>> NATIONAL DAY OF SERVICE**

EPL volunteers will work with Bundled Blessings Diaper Bank to pack and distribute diaper bags to families with young children that will include diapers, board books, library information, and other essentials.

Our goal is to ensure that families who receive diaper donations have access to books and knowledge of the Library services that are available in our community.

### **>>> EVENT SPONSORSHIP**

Join us out in the community! Together we will provide baby necessities and early literacy resources for young families in our community.

# Books-and-Bottoms Bundles: National Day of Service

## »»» 2025 SPONSORSHIP OPPORTUNITIES

This project supports the library's work to promote literacy at a young age. Research shows that children who grow up with home libraries positively impact their literacy achievements and help prepare them for school. Home libraries also promote family literacy, as the books are shared with parents and siblings and encourage family reading.
