

Petition to keep Evanston Public Library's partnership with the City

To the Library Director and the Library Board:

We, the undersigned AFSCME Local 1891 members, strongly urge that our beloved Evanston Public Library maintain its relationship with the City of Evanston. Our library is a vital resource and our relationship with the City ensures we can provide the best possible support to our community. We believe moving away from the support of City services will risk reduced hours, fewer programs, and increase barriers to access.

For the continued growth and enrichment of our community we respectfully ask the Library Director to work with the City on an updated memorandum of understanding.

Petition to keep Evanston Public Library's partnership with the City

To the Library Director and the Library Board:

We, the undersigned AFSCME Local 1891 members, strongly urge that our beloved Evanston Public Library maintain its relationship with the City of Evanston. Our library is a vital resource and our relationship with the City ensures we can provide the best possible support to our community. We believe moving away from the support of City services will risk reduced hours, fewer programs, and increase barriers to access.

For the continued growth and enrichment of our community we respectfully ask the Library Director to work with the City on an updated memorandum of understanding.

Petition to keep Evanston Public Library's partnership with the City

To the Library Director and the Library Board:

We, the undersigned AFSCME Local 1891 members, strongly urge that our beloved Evanston Public Library maintain its relationship with the City of Evanston. Our library is a vital resource and our relationship with the City ensures we can provide the best possible support to our community. We believe moving away from the support of City services will risk reduced hours, fewer programs, and increase barriers to access.

For the continued growth and enrichment of our community we respectfully ask the Library Director to work with the City on an updated memorandum of understanding.
