Agenda Item 4.A

MEMORANDUM

To: Evanston Public Library Board of Trustees

From: Yolande Wilburn

Executive Director

Subject: Amendments to the Evanston Public Library Board Bylaws

Date: October 15, 2025

Recommended Action:

Staff recommends that the Board of Trustees approve the attached amendments to the *Bylaws of the Evanston Public Library* to bring the document into compliance with the Illinois Local Library Act (75 ILCS 5/4-7(7)) and to incorporate provisions required to align with the Library's Continuity of Operations Plan (COOP) and Crisis Communications Plan (CCP).

Background:

The Management Committee reviewed the existing Board Bylaws and identified updates needed to clarify the authority of the Executive Director under Illinois Library Law and to incorporate provisions that support continuity of governance during emergencies.

Revisions confirm that the Executive Director has full authority to hire, supervise, evaluate, and, when necessary, terminate Library employees pursuant to 75 ILCS 5/4-7(7). The language clarifies that City Human Resources may be consulted on compliance or benefits matters, but final personnel authority rests with the Executive Director.

Additional amendments integrate COOP and CCP provisions outlining Board and officer responsibilities during declared emergencies and authorizing temporary actions when a quorum cannot be convened. These changes were incorporated into Sections 1.3.1, 1.5.1, 1.5.4, 1.6.3, 1.8.2, and 1.10, and a new Section 1.10.1 Emergency Provisions was added.

Analysis:

These amendments clarify governance authority, ensure compliance with Illinois law, and provide a clear framework for maintaining operations and accountability during emergencies. The Management Committee unanimously recommends adoption.

Fiscal Impact:

There is no fiscal impact associated with these amendments.

1.10 Amendment of Bylaws

Bylaws of the Evanston Public Library

1.1 Name and Use of the Library

The name of this municipal body shall be the "Evanston Public Library" (hereafter referred to as the "Library").

In accordance with Illinois State Law, the Library shall be forever for the use of residents and taxpayers of the City of Evanston and other patrons, as authorized by law.

The Library is subject to such reasonable rules and regulations as the Library Board of Trustees (hereafter referred to as the "Board") may adopt in order to render the use of the Library of the greatest benefit to the greatest number of Evanston residents and taxpayers.

1.2 Library Mission

The mission of the Evanston Public Library is to be the heart of our diverse community by promoting the development of independent, self-confident, and literate patrons and providing equitable access to cultural, intellectual and informational resources.

1.3 Board of Trustees

The Board shall have all of the powers of a board of public library trustees granted under 75 ILCS (Illinois Compiled Statutes) 5/4-1 et seq. In accordance with the obligations described in Illinois Library Law, the Library shall be governed by a Board of nine Trustees.

1.3.1 Responsibilities of the Board

Legal and financial responsibility for the operations of the Library is vested in the Board per City of Evanston Code of Ordinances 7-14-2, 7-14-4 and 7-14-5. Subject to existing statutes, the powers of the Board include, but are not limited to: 1) determining rules and regulations governing library services; 2) exercising exclusive control of all expenditures of money credited to the library fund, and any grant, gift or endowment funds provided for library purposes; 3) determining the property tax levy required to support the Library within the law; and 4) hiring, evaluating and, if necessary, dismissing the Executive Director.

The Board may adopt such policies, rules and regulations for the conduct of its business as shall be deemed advisable or necessary and may, in the execution of the powers granted, appoint such agents as it may consider necessary.

1.3.2 Qualification, Appointment, and Tenure

Consistent with the Illinois Local Library Act and the Evanston City Code, the Mayor of the City of Evanston, with the approval of the City Council, appoints Library Trustees chosen from city residents with reference to their fitness for such office. Per the Rules and Organization of the City Council of the City of Evanston (2022), Trustees appointed by the Mayor shall hold office for three years. Trustees are eligible to be re-appointed by the Mayor to additional three-year terms. Subject to reappointment by the Mayor and

approval by the City Council, there are no limits to the number of terms a Trustee may serve. In the event of a Trustee leaving the Board prior to the end of his/her term, a Trustee will be appointed to a full term and then be eligible to complete additional full three-year terms. The Trustees shall take their oath of office as prescribed by Illinois law.

1.3.3 Orientation

The Evanston Public Library Board of Trustees will conduct a formal orientation for all new Library Board members.

1.3.4 Resignation or Removal from the Board

Any Trustee may resign at any time by giving written notice to the President or Secretary. Such resignation shall be effective when the notice is delivered unless the notice specifies a future date; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Upon receipt of such resignation, the President will notify the Mayor of the vacancy.

Section 1-6-5 of the Evanston City Code states that the Mayor may remove a Trustee from the Board "for cause upon report of such action to the City Council in executive session. Cause shall be determined by the Mayor and may include, but shall not be limited to: absenteeism; conflict of interest; incapacitation, physical or mental; conviction of a criminal offense; incompetence or inattention to assigned duties." The action of the Mayor shall be deemed effective immediately upon the report thereof to the City Council; provided, however, that such action may be overruled by *a* positive vote of two-thirds of the Councilmembers then holding office. In such an event, the action of the Mayor shall be reversed and the appointee reinstated for the remainder of his/her term unless otherwise successfully *removed*.

1.3.5 Conflict of Interest

Any conflict of interest on the part of any Trustee shall be disclosed to the Board when the interest becomes a matter of Board action. Any Trustee having a conflict of interest shall not vote or use his personal influence on the matter, and shall not be counted in determining the quorum for the meeting for that vote. The minutes of the meeting shall reflect that a disclosure was made, the abstention from voting, and the quorum situation. Any new Trustee will be advised of this policy upon assuming the duties of office. The President may abstain from voting in the event of a tie.

Trustees will not engage in economic activity that involves the use or sale of information gained in the course of official duties in addition to any applicable provisions of the State Officials and Employees Ethics Act (5 ILCS 430/1-1 et seq.).

1.4 Board Officers

The Officers of the Library shall consist of a President, a Vice-President, Secretary and a Treasurer. No Trustee shall hold more than one office at any one time.

1.4.1 Election and Term of Office

At the regular meeting in April, the Board shall elect a Nominating Committee of three members of the Board, at least one of whom shall be a member whose term is not expiring, and one of whom shall be appointed as the chairperson. The Nominating Committee shall present its recommendations at the May meeting, listing the names of one or more candidates for each office, provided the consent of such nominees shall have been obtained. Additional nominations, with the consent of the nominees, may be made from the floor.

The President, Vice-President, Secretary and Treasurer shall be elected by the majority of those Trustees present and voting at the regular June meeting each year. The terms of newly elected officers shall begin on July 1. Officers shall serve a term of one year or until their successors are duly elected. No Trustee shall hold more than one office at any one time.

1.4.2 Resignation, Removal and Vacancies

Any officer may resign from office at any time by giving written notice to the President or Secretary. Such resignation shall be effective when the notice is delivered unless the notice specifies a future date; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Any officer duly elected or appointed may be removed by a majority of a quorum of the eligible voting members whenever in its judgment the best interests of the Library would be served thereby.

1.5 Duties of Officers

1.5.1 President

The President shall preside at all meetings of the Board, appoint committees as needed, nominate all committee members and Board representatives for Board approval, serve as an ex-officio member with vote of all committees, serve as principal Board liaison to the Executive Director, sign official documents including contracts, and assume such other duties as directed by the Board. The President shall be the official speaker or shall designate a speaker for the Board in matters of public interest. The President shall be bonded.

1.5.2 Vice-President

In the absence or inability of the President to act, or due to a vacancy in the office of the President, the duties of the President shall be performed by the Vice-President. The

Vice-President shall be the Chair of the Management Committee and assume such other duties as directed by the Board.

1.5.3 Secretary

The Secretary and President shall sign such official papers as are necessary, including, but not limited to contracts, grant applications, and leases. The Secretary shall monitor the official manual of Board-approved bylaws and policies, and assume such other duties as directed by the Board. In the absence of the President and Vice-President, the Secretary shall serve as President. In the absence of the Secretary, the President shall appoint a secretary pro-tempore.

1.5.4 Treasurer

The Treasurer shall serve as the Board's financial officer and Chair of the Finance Committee. The Treasurer shall cause to be received and safely kept all monies belonging to the Library in depositories approved and designated by the Board, in the name of the Library or in such other investments as may be authorized by law, and shall disburse the same only upon the authority of the Board. The Treasurer shall cause to have prepared a monthly report to the Board of all receipts and disbursements and shall have submitted at the annual meeting of the Board a detailed statement showing all receipts and disbursements during the preceding year. The Treasurer shall cause to have prepared all financial reports required to be submitted to the local, state or federal governments. The Treasurer shall be bonded. In the absence of the Treasurer or when s/he is unable to serve, the President or Vice-President may perform the duties of the Treasurer. The Treasurer shall perform any other duties as may be assigned by the Board.

1.6 Meetings of the Board of Trustees

All Board meetings shall meet the requirements of the Illinois Open Meetings Act (5 ILCS 120/2(c) et seq.).

1.6.1 Annual Meeting

The first regular meeting after March 1 will be the annual meeting of the Board at which the Annual Report will be presented. The report shall include a summary of the year's work, statement of plans for the following year, a detailed account of the receipts and expenditures of the previous fiscal year, and all other information required by State Statutes.

1.6.2 Regular Meetings

Each November a regular monthly meeting schedule for the subsequent calendar year will be established by the Board.

1.6.3 Special Meetings

Special meetings of the Board may be called by the President, or upon the written request of three Trustees, given proper notice as specified in the Open Meetings Act. Notices shall be sent at least three days before the meeting, and no business shall be transacted other than stated in the notice.

1.7 Board Meeting Rules

1.7.1 **Quorum**

For the transaction of business at any meeting of the Board, five Trustees who are present shall constitute a quorum. A meeting can continue, but no action can take place, if a quorum is not present.

Only Trustees attending in person shall be counted toward establishing a quorum. A majority of the quorum must vote in favor of a Trustee attending via communication devices.

1.7.2 Remote Participation at Meetings

The Board shall adhere to the requirements outlined in the Illinois Compiled Statutes Open Meetings Act [5 ILCS 120/7 (a)-(d)]. Under limited circumstances, Trustees unable to physically attend a public meeting may participate via communication devices. Such devices may include, but are not limited to, audio and video equipment enabling interaction on all motions, discussions, and votes among Trustees and other participants. Permissible circumstances for Trustee remote attendance include personal illness or disability, employment obligations, family emergencies, or other emergencies. Trustee attendance via communication devices requires advance notification to the Board Secretary unless impractical.

1.7.3 Conduct of Meeting

The President shall preserve order and decorum and decide questions of order. In the case of disturbance or disorderly conduct, the President shall have the power to: (1) remove the offenders, (2) clear the board room of all spectators, or (3) suspend or adjourn the meeting.

1.7.4 Agenda

The first order of business shall be the President's ascertaining if there is a quorum present. If so, the President shall call the meeting to order. The Board shall proceed to conduct the business before it normally in the following order:

- Land Acknowledgement
- Resident Comment
- Approval of the Consent Agenda and/or minutes of the preceding meeting
- Executive Director's Report or Information/Communications

- Staff Reports
- Presidential Report
- Committee Reports
- Unfinished Business
- New Business
- Executive session (if applicable)
- Adjournment

The President may vary the order of business.

1.7.5 Suspension of the Rules

Any rule or policy of the Board, whether contained in these bylaws or otherwise, may be suspended temporarily in connection with business at hand, but such suspension, to be valid, may be taken only at a meeting at which two-thirds of those present approve.

1.7.6 Public Participation

The Board shall provide a period not to exceed 45 minutes at the beginning of the order of business for public comment. Prior to the beginning of the meeting, interested residents should indicate their desire to speak by signing their name and address on a form. The President will allocate the 45 minute period equally among those persons, and no individual speaker may speak longer than five (5) minutes and cannot cede time to another speaker. A person addressing the Board shall limit comments to items within the jurisdiction of the Library Board. The business of the Board shall commence no later than forty-five (45) minutes after the beginning of Public Comment.

Board standing committees shall provide opportunities for public comment at the beginning of each meeting. For all standing committees of the Board, a period of twenty minutes shall be provided for public comment, and no individual speaker may speak longer than two (2) minutes and cannot cede time to another speaker. The committee chair of the standing committees will allocate time among the speakers to ensure that public comment does not exceed the allotted time provided above.

1.7.7 Motions

A motion is not before the Board until it has been seconded. A motion may be withdrawn by the proposer at any time before a vote is called.

All authorizations to spend money shall be passed only by a roll call vote duly recorded.

An amendment to modify an original motion shall be in order, but no amendment shall be made that changes the intent of the original motion.

A majority of a quorum of the Trustees present and voting is required to carry any motion unless otherwise provided in the bylaws.

All motions involving the hiring or dismissal of the Executive Director must be approved by six Trustees.

1.7.8 Closed Sessions

All meetings of the Board and its committees shall be open to the public and to the press except closed sessions in accordance with the Open Meetings Act (5 ILCS 120/2(c) et seq.).

The closed session must be approved in open meeting by a majority vote and the purpose of the closed session recorded in the minutes of the open meeting.

Only topics specified in the vote to close may be considered in the closed session. No final action may be taken at a closed session.

All proceedings of a closed session shall be kept in strict confidence by all those in attendance.

Closed sessions shall be recorded and such recordings shall be preserved for at least eighteen months and shall only be destroyed after the Board has approved and made public the minutes of the closed session.

Under the Open Meetings Act, the minutes of all closed sessions will be reviewed by the Board at their regular June and December meetings as to whether or not the minutes should remain sealed or can be publicly disclosed (5 ILCS 120/2.06).

1.7.9 Adjournment

A motion to adjourn the Board shall always be in order except while a vote is being taken. A motion to adjourn cannot be amended or debated, but a motion to adjourn to a specific date or time may be amended and debated.

1.7.10 Robert's Rules of Order

The rules of parliamentary procedure in the latest edition of Robert's Rules of Order shall govern the Board in all cases.

1.7.11 Trustee Participation

Trustees are expected to attend and participate in all regular board meetings and to fulfill their committee obligations. If a Trustee attends fewer than six meetings per year,

The Board President shall appoint the Chair of the Facilities Committee. The Committee shall convene as necessary and report its recommendations to the Board as needed.

The **Diversity**, **Equity**, **Inclusion & Belonging Committee** shall collaborate with the Executive Director or designee to uphold diversity as a core value of the EPL. It supports the articulation of the desired facets of diversity, proposes appropriate goals for diversity regarding participation and programming goals, establishes metrics for measuring success, and advises on diversity issues in the library workplace. The seven-member Committee shall include at least two Trustees as appointed by the President. The Committee shall meet regularly and report its recommendations to the Board.

1.8.3 Board Nominating Committee

The Executive Director shall be responsible to the Board pursuant to the provisions of the Local Library Act, 75 ILCS 5/1-0.1 et seq.

The Executive Director will report directly to the Board, execute the policies adopted by the Board, and shall be authorized to develop the library program, establish the organizational structure, purchase materials and services, and undertake such other activities as may be necessary for the library's operation, subject to the policies established by the Board. The Executive Director shall have the authority to execute contracts on behalf of the Library within the parameters established by the Board. The Executive Director shall attend all meetings of the Board. The Executive Director shall make a monthly report to the Board and submit an annual report at the first regular meeting after February 1.

In a manner consistent with the Library's Personnel Policies and collective bargaining agreement, the Executive Director shall hire, supervise, evaluate and may terminate the employment of staff members necessary to carry out the work of the Library. Library staff will be hired and terminated by the Executive Director with approval by the City's Human Resources Manager. Agenda Item 4.B

MEMORANDUM

To: Evanston Public Library Board of Trustees

From: Yolande Wilburn

Executive Director

Subject: Elimination of Vacant Safety Monitor Position

Date: October 15, 2025

Recommended Action:

Staff recommends that the Board approve the elimination of one (1) Safety Monitor position from the Library's staffing structure.

Background:

The position was vacated on August 31, 2024, and has remained unfilled. Following a review of operational needs, the Library determined that the position is no longer required and recommends its elimination.

This action does not affect any current employees. No represented staff are being displaced, reduced, or reassigned. All remaining Safety Monitor positions remain unchanged, and day-to-day represented work continues without modification.

Eliminating the vacant position aligns staffing levels with operational needs and ensures continued transparency with AFSCME regarding bargaining-unit positions.

Agenda Item 4.C

MEMORANDUM

From: Tracy Fulce, Board President

Subject: Approval of Engagement with Robbins Schwartz Attorneys

Date: October 15, 2025

Library Director's Report

October 15, 2025

Updates:

In September, ELL staff members Martha Meyer and Laura Florian presented to the Northern Illinois Nature Play Association (NINPA), a professional collaborative that promotes, supports and enhances nature-based early childhood education for all. Laura & Martha were featured presenters at the NINPA Fall meeting where they discussed Evanston Public Library's successful development and implementation of the **Blueberry Awards**. In early October, Martha Meyer and EPL Collection Manager Betsy Bird also presented about the Blueberry Awards to the Association of Illinois School Library Educators (AISLE) annual conference.

On October 6, 2025, Book vendor Baker & Taylor announced plans to wind down operations and close by year-end following the collapse of its acquisition by ReaderLink, resulting in significant layoffs at its Momence, IL facility. EPL has already transitioned to Ingram for materials ordering. RAILS reports that while the Boundless platform for eRead Illinois remains active, new content cannot currently be purchased as they prepare to transition the collection to a new provider. CollectionHQ, sold to Valsoft Corporation in June, remains fully operational under its new ownership.

Proclamation on Banned Books Week

On September 29, 2025, Mayor Daniel Biss formally read a **Banned Books Week Proclamation** at the Evanston Public Library, officially declaring **October 5–11**, **2025**, **as Banned Books Week in the City of Evanston**. The proclamation reaffirmed Evanston's commitment to the freedom to read and the protection of intellectual freedom as a core democratic value.

Recently, we received a request from Nathan Reed, a senior at Northwestern University. He wrote:

"I am currently working on my honors thesis project, where I will be studying the effects of PM2.5 air pollution on the respiratory microbiome. This study aims to provide insights into the acute impacts that PM2.5 may have on the diversity of the respiratory microbiome. I am writing to request the support of the Evanston Public Library, which provides community access to PM2.5 sensors critical to this study.

The study itself will last four weeks, during which I will need to collect indoor and outdoor PM2.5 data daily. While I am still recruiting study participants, I am anticipating that the

study will require 2-3 outdoor sensors and 2-3 indoor sensors. While I understand the current policy only permits a single sensor to be checked out at a time per person, I was wondering if an exception could be made to allow me to conduct this study. I am happy to meet either in person at the library or virtually to discuss my project further. I look forward to hearing from you soon."

Staff coordinated with the grant manager to allow an exception to the borrowing rules to allow the student to use the monitors for his project. In turn, he will share the result of the study. Additionally, we are requesting that the outdoor monitors be placed in wards of Evanston that experience poor quality air. This is a great example of community partnerships. The air quality monitor check out program includes the Evanston Public Library, the STEAD Center, the NAACP Evanston Branch and Unitarian Church of Evanston.

Reminder: Thursday, October 23 both libraries will be closed for our Fall Staff Day. This staff day will be a bit different from previous iterations because we will be working hard on our RFID tagging project.

Fall School Visits to EPL Main Library - It's that time of year again — classes of kindergarten and middle school students will soon be visiting the Main Library! These visits are a wonderful opportunity to make meaningful connections with students and their teachers. Kindergarten and middle school are

both important times of transition and growth. We're fortunate to help shape their experience by showing that the library is a welcoming space that belongs to them as members of our community. Big thanks to the ELL and IDL teams for facilitating these visits.

Comments via the Evanston Roundtable following an article regarding the tax levy increase:

Camille Blachowicz says: I will happily pay the increased yearly amount for our excellent library who does more for less than any other Northshore library.

Rufus Lagren says: Sounds good to me. Library's important. One of the better institutions to support. Let's recognize and keep the common good thriving.

Handwritten letter left at Circulation: Beautiful library with an amazing collection! Sending much appreciation. - Alice (former librarian from Tampa)

Legislative Update

Narcan Resources for Libraries-RAILS has launched a new <u>Narcan in Libraries Pulse Page</u> to support implementation of Public Act 104-0056, recently signed by Governor Pritzker. The page provides information on the new law, background materials, upcoming events, and resource links. RAILS will continue to update the page as additional information becomes available.

ILA Library Legislative Meetup - ILA will host a North Suburban legislative meetup in Northbrook on December 3, which provides opportunities to engage directly with legislators and advocate for library priorities. Board Members Fulce and Dada will attend, along with Director Wilburn and Marketing & Communications Manager Riggsbee.

ILA Executive Board Actions - At its September 18 meeting, the ILA Executive Board approved the 2026 Legislative Agenda as recommended by the Public Policy Committee (PPC). Key items include:

- Annual Trustee Training Requires all public library trustees to complete training each year to ensure preparedness and a shared understanding of trustee responsibilities.
- **Equitable & Accessible eBooks** Supports legislative action to address the rising costs and restrictive terms of e-content.

In addition, the PPC addressed the **Personal Property Replacement Tax (PPRT)**. Currently, PPRT funds are collected by the State and then distributed through municipalities or other intermediaries before reaching libraries. This practice can result in delays, withholding, or uncertainty in local budget planning. Rather than advancing legislation immediately, the PPC recommends forming a study group to examine the distribution process, its impacts on public libraries, and potential reforms to ensure that funds are delivered directly and equitably to recipient organizations.

Library leadership will continue monitoring these developments and update the Board as the study group's work progresses.

Subject: 3rd Quarter 2025 Development Report for the Library Board

Date: October 15, 2025

This memo provides an update on non tax revenue activity for the 3rd quarter 2025.

Total non-tax revenue updates:

In the third quarter of this year we received a total of \$219,553, and reached a total of \$381,382 raised from various funding sources. Our overall total for the year is \$190,652 which represents 48% of the budgeted revenue and 35% of our newly established "stretch" goal.

FY25 2nd Quarter:

Total Revenue	\$219,553	\$381,382	\$597,212	\$767,212	50%

Individual Donor Activity:

In July, we continued initiatives outlined in our Strategic Development Advancement Plan (SDAP) to boost individual giving for 2025, and we continue to evaluate outcomes to support our ambitious "stretch" goals. Based on this analysis, we raised the projected targets for the following campaigns: the Summer Campaign; 2025 Library Donations; the Year-End Campaign and the 2025 Major Gifts. These revised goals reflect our commitment to foster strategic growth.

Individual donor contributions surpassed last year's Q3 levels and we are tracking campaign and appeal performance to identify the strategies driving growth. Of note to date, we've secured two new sponsorships, piloted a new peer-to-peer campaign, and secured one major gift earlier in the year as compared to this time last year.

FY25 Campaigns and Progress to Goal:

2025 Giving Through 3rd Quarter by Appeals:

Grant activity:

In Q2 we reported that we anticipated \$35K in Federal grants and \$25K in Library Grants for the year. We have surpassed the revised federal grant projections, but not yet met our original goal for the year and we are also on track to meet our revised goal in Library Grants but do not project reaching the originally set goal of \$40,000.

We have implemented the newly revised grant rubric and introduced a grant projection system to better align with our strategic plan. To date, we project meeting budgeted federal grant goals, however local grants are not projected to meet goal.

Federal grants:

Budgeted: \$40,000

Total Anticipated FY25 income: \$40,683

Quarterly Grant Forecasting: Probability-Weighted Forecasting Model: As outlined in the Strategic Development Advancement Plan, we have created a probability forecast for grants that will be updated quarterly to track our grant progress, anticipate cash flow, compare actual vs. forecasted, and evaluate ROI. We apply the forecast model to the comprehensive grant pipeline, currently totaling nearly 100 grant opportunities in various stages of development.

Once the most viable grants are identified, a weighted scale is applied to determine probability of income. For example, there are three grants that have been submitted but we have not received notice of award or declined, but still have potential for income in 2025.

Submitted to Funder	Rating	Requested Amount	Probability	Weighted Amount
Better World Books	Low	\$3,000.00	20	\$600.00
Mental Health Funding Circle	Low	\$75,000.00	20	\$15,000.00
AgeOptions	High	\$3,500.00	80	\$2,800.00
				\$18,400.00

The following chart demonstrates the grant forecasting as applied today. We will pilot this system through the end of this year and revise in 2026 as needed.

MEMORANDUM

To: Evanston Public Library Board of Trustees

From: Ellen Riggsbee, Marketing and Communication Manager

Subject: Final Comprehensive Crisis Communications and COOP Plan Approval Requested

Date: October 15, 2025

Recommended Actions:

Purpose:

The Evanston Public Library has developed a **Crisis Communications Plan** and an accompanying **Continuity of Operations Plan (COOP)** to strengthen our preparedness and response in the event of emergencies or disruptions to library operations. These plans provide a structured framework for ensuring clear communication, operational continuity, public safety, and the protection of community trust.

Background:

- The **Crisis Communications Plan** establishes protocols for how EPL communicates with staff, patrons, the City of Evanston, media, and community partners during emergencies. It is designed to ensure timely, accurate, and coordinated messaging.
- The COOP Plan outlines the essential services EPL must maintain during disruptions and provides a framework for recovery and continuity of library functions in alignment with City of Evanston emergency management practices.

Together, these plans support EPL's mission to serve the community reliably and transparently, even in challenging circumstances. These plans have previously been reviewed by the Management and Facilities Committees.

Action Requested:

We request that the Board of Trustees approve adoption of the **Evanston Public Library Crisis Communications Plan** and **Continuity of Operations Plan (COOP).**

Evanston Public Library Crisis Communications Plan

September 9, 2025

I. Introduction

Purpose of this Plan:

The purpose of the Crisis Communications Plan for Evanston Public Library (EPL) is to provide a clear, coordinated, and proactive framework for communicating during emergency situations or events that may disrupt library operations, compromise public safety, or impact the Library's reputation and community trust.

This plan ensures that all communication—internal and external—is accurate, timely, and consistent, minimizing confusion and misinformation. It is designed to support EPL leadership, staff, and stakeholders in managing a wide range of crises, from natural disasters and technological failures to public safety incidents and reputational challenges. The first 24 hours of a crisis are often the most critical and clear information and direction is necessary for the public and staff to avoid misinformation and mishandling of crises.

Objectives:

By following this plan, EPL aims to:

- Ensure Accurate and Timely Communication: Provide reliable, up-to-date information to all stakeholders during a crisis to prevent confusion, misinformation, or speculation.
- **Protect Health, Safety, and Wellbeing:** Support EPL's overarching priority to safeguard patrons, staff, and community members by communicating clearly about threats, risks, and safety protocols.
- Maintain Public Trust and Confidence: Reinforce EPL's role as a transparent, accountable, and responsive public institution, even in moments of disruption or uncertainty.

- **Support Operational Continuity:** Facilitate clear internal communication that enables staff and leadership to respond effectively and resume services as quickly and safely as possible.
- Promote Consistency in Messaging: Ensure that all communications across EPL channels and representatives are unified, aligned with leadership, and reflect the Library's values and policies.
- **Define Roles and Responsibilities:** Clarify who communicates what, when, and how—helping staff act quickly and confidently under pressure.
- Preserve the Library's Reputation: Minimize long-term reputational damage by addressing issues proactively, truthfully, and with empathy.
- **Support Post-Crisis Recovery and Learning:** Provide a framework for reflection, documentation, and improvement after a crisis to strengthen future preparedness.
- Inform and reassure stakeholders: Inform stakeholders that the library crisis team is in control of the situation and will make informed, careful decisions in the time of crisis.

Crisis Definition:

In this plan, a crisis is defined as a significant event or incident that disrupts, or has the potential to disrupt, regular operations of the library. It can also be a situation in which the reputation or integrity of EPL is in jeopardy of being damaged.

Key Organizational Information:

Evanston Public Library consists of two branch locations. Our Main Library Branch is located at 1703 Orrington Avenue in the heart of Downtown Evanston. Our Robert Crown Branch Library is located in the Robert Crown Community Center located at 1801 Main Street, also in Evanston.

The Evanston Public Library is governed by a nine-member Board of Trustees, appointed by the Mayor of Evanston and confirmed by the City Council. The Board has legal and financial responsibility for the library's operations. They oversee the library's budget, levy taxes, and the Executive Director. The library is responsible for creating its policies that the board approves, ensuring that the library serves the community.

The day-to-day operations of EPL are overseen by an Executive Director, followed by the Assistant Director. The Library operates as a component unit of the City of Evanston local government.

II. Crisis Response Team:

Roles and Responsibilities of Crisis Response Team

Executive Director:

- Role: The Executive Director of Evanston Public Library (EPL) holds primary leadership responsibility during any crisis situation.
- Key Responsibilities: To guide the organization's overall response, ensure public accountability, and serve as the top decision-maker regarding communication strategy and operational continuity.

Assistant Director

- Role: The Assistant Director plays a critical operational and communications support role during a crisis. The Assistant Director works closely with the Executive Director and COE Crisis
 Communications Team to direct communications in a crisis situation.
- Key Responsibilities: The Assistant Director serves as the spokesperson in the absence of the ED, or as directed by the ED. They help coordinate the Library's internal response, ensure smooth execution of crisis protocols, and manage logistics that support timely and effective communication.

Board of Trustees

Role: The Board of Trustees has legal and fiduciary oversight of the Evanston Public Library. While not public spokespersons during a crisis, Trustees must be kept advised of significant developments that impact library finances, operations, or reputation.

Key Responsibilities:

 Receive timely updates from the Executive Director (or designee) during crisis events.

- Authorize emergency financial expenditures ≥ \$25,000 when required, as outlined in the Continuity of Operations Plan and Board bylaws.
- Support the Executive Director in reinforcing key messages with community stakeholders, donors, and civic leaders when appropriate.
- Ensure post-crisis ratification of any delegated emergency actions.

City of Evanston Crisis Communications Team

- Role: In the event of an emergency involving the Evanston Public Library, the City of Evanston Communications Department plays a key role in coordinating and disseminating accurate, timely information to the public by reporting on behalf or in conjunction with library communications.
- Key Responsibilities: As the library is a component unit of the City
 of Evanston government, all official emergency communications are
 managed in collaboration with the COE Communications Department
 to ensure consistency, clarity, and alignment with the city's overall
 emergency response efforts.

Communications Manager

- Role: The Communications Manager is responsible for planning, developing, and delivering all internal and external messaging during a crisis as directed and approved by the ED and/or the Assistant Director.
- Key Responsibilities: As a central member of the Crisis
 Communications Team, the Communications Manager ensures that communication is timely, accurate, consistent, and aligned with the Library's values and public responsibilities.

• Facilities Manager

Role: In the event of a crisis, the Facilities Manager serves as the
primary lead for all building-related emergency response activities.
 Their role is to ensure the physical safety and operational integrity of

the library facilities while supporting the broader emergency response managed by the Executive Director and/or City of Evanston. During a crisis or emergency, the Facilities Manager also serves as the lead coordinator for all safety-related protocols and procedures. Their primary role is to ensure the health, safety, and security of staff, patrons, and volunteers, while working in alignment with the library's leadership and the City of Evanston's emergency response teams. The Facilities Manager supports crisis communication by providing real-time updates on safety conditions and procedures, and ensures that emergency actions—such as lockdowns, evacuations, or shelter-in-place directives—are carried out effectively and consistently.

• Key Responsibilities: The Facilities Manager coordinates with emergency services, library leadership, the EPL Safety Supervisor/Assistant Facilities Manager, and the City of Evanston Facilities Department to provide timely facility updates and response actions. They initiate and oversee emergency procedures—such as evacuation, lockdown, or first aid—and ensure all staff are accounted for, safety briefings are delivered, and first responders receive support on-site. The Facilities Manager also leads preparedness and recovery planning, secures the facility, directs damage assessment and documentation, and ensures safety and infrastructure concerns are effectively communicated as part of the library's overall crisis response.

IV. Crisis Command Center

In the event of a major emergency or disruption affecting Evanston Public Library (EPL), a Crisis Command Center will be established in coordination with the City of Evanston to serve as the central hub for decision-making, communication, and operational oversight. The location and activation of the command center will be determined by the City of Evanston based on the scope, severity, and type of crisis.

Activation:

- The Executive Director or designee will notify the City of Evanston
 Communications Department and Emergency Management Team when a library-related incident requires activation of a centralized command structure.
- The City of Evanston will designate the physical or virtual location of the Crisis Command Center. Possible locations may include 909 Davis, the City of Evanston Emergency Management Office, or another secure facility.
- EPL representatives will report to the designated site or connect remotely if virtual command operations are initiated.

Participants:

The following representatives will participate in the Crisis Command Center for library-related emergencies:

• Public Information Office (PIO) of the City of Evanston.

- Executive Director (EPL): Provides leadership and decision-making authority for library operations.
- Assistant Director (EPL): Supports operational and communications coordination; may serve as alternate spokesperson.
- EPL Communications Manager: Prepares and delivers all messaging in alignment with City of Evanston communications.
- City of Evanston Communications Department: Oversees public messaging and ensures coordination across city departments and emergency responders.
- Facilities/Safety Manager (EPL): Provides updates on building integrity, safety, and operational readiness.
- Board of Trustees President (or designated officer) will be briefed regularly by
 the Executive Director to ensure the Board is informed of critical decisions,
 particularly those with financial or reputational implications. The Board does
 not participate in message drafting or public release but provides
 governance-level oversight.

Functions of the Crisis Command Center:

- Establish a unified communication strategy and approve key messages before release.
- Coordinate directly with the COE Public Information Officer, first responders, city departments, and emergency management officials.
- Track real-time developments and maintain situational awareness.
- Provide timely updates to staff, trustees, community stakeholders, and the media.
- Oversee safety actions including evacuation, shelter-in-place, or facility closures.
- Document decisions, communications, and actions for post-crisis review.

Chain of Communication:

All crisis-related messages must flow through the Crisis Command Center before dissemination. No staff or board member may release independent statements

without prior approval from the Executive Director (or designee) and the City of Evanston Communications Department.

Post-Crisis Transition:

Once the immediate crisis has subsided and normal operations are restored, the Crisis Command Center will deactivate. EPL leadership will then conduct a debrief with the City of Evanston to review response effectiveness, document lessons learned, and identify improvements for future crisis preparedness.

V. Stakeholder Information

A stakeholder is any individual, group, or organization that has an interest in or is affected by the library's services, operations, and outcomes. This includes patrons, staff, board members, city officials, donors, community partners, and residents—anyone who benefits from, supports, or influences the library's mission and impact in the community. Stakeholders are defined in this plan because they would either individually or collectively be affected by crises at the library.

- Internal Stakeholders
 - 1. EPL Staff
 - 2. Board of Trustees
 - 3. Volunteers
- External Stakeholders
 - 4. Library Patrons
 - 5. City of Evanston Officials
 - 6. Evanston Residents
 - 7. Local Media
 - 8. Donors and partner organizations

Role of the Board of Trustees

Trustees are key internal stakeholders and must be kept promptly informed of crisis events, potential financial impacts, reputational risks, and recovery progress. Their

role is to provide **oversight**, **guidance**, **and accountability** to ensure the library's response aligns with its mission and public responsibilities.

The Board does **not** act as a public spokesperson during crises. All **external communications**—including media inquiries, public statements, and community messaging—are managed by the **Executive Director**, **Communications Manager**, and the **City of Evanston Communications team**. Trustees may refer inquiries to these designated contacts to maintain consistent, accurate messaging.

VI. Established Emergency Communications Channels

In the event of a crisis, clear, timely, and consistent communication is essential to maintaining public trust and ensuring the safety and well-being of staff, patrons, and the community. The following communication channels will be used by the public library to share accurate information, provide updates, and coordinate messaging both internally and externally. These channels will be activated based on the nature and severity of the crisis.

- InformaCast: A mass internal notification and incident management solution
 that is pre-loaded with messages that are delivered to all staff via the library
 phone system, work email and personal cell phones if the employee opted in.
 - Approved Users: Executive Director, Assistant Director,
 Communications Manager, Facilities Manager
- Library Patron Email: A patron specific email platform used for marketing that could be used to email all patrons in the event of an emergency. This would be facilitated by the Communications Manager.
 - Approved User: Communications Manager
- COE Email: GovDelivery is a City of Evanston specific email notification system available to EPL to be used for multiple purposes, including sending messages related to emergency situations. This would be facilitated by the Communications Manager, or anyone skilled and with access to the platform.
 - Approved User: Communications Manager, COE Communications
 Team

- Website Banner: A system message that is placed on the top of the home page of the EPL website and the top of the app for all visitors to see, and used to push out emergency notifications.
 - Communications Manager
 - Website Administrator
- Social Media: Emergency messages could be posted on appropriate social media platforms which at this time include Facebook, Instagram.
 - Communications Manager
- **Physical Signage:** Signs for the doors will be created in the event of an emergency involving a closure, changes to operating hours, or other such announcements needed.
 - Admin Team, Communications Manager
- Emergency Response Website Page: Permanent live, but hidden, page on the website that gives information about how to access our crisis team and reviews basic emergency response information.
 - Communications Manager
 - Website Administrator
- City of Evanston Emergency Chat Communications Channel via Google Business Suite
 - All approved users have the ability to send direct group of COE Emergency Response Communications Team messages with real-time updates

VIII. Responding to Crisis: Key Messages, Guidelines and Process

In the event of a crisis, the Evanston Public Library is committed to communicating transparently, compassionately, and responsibly with all stakeholders. The following guidelines and message approval process define the key principles and parameters that should shape all messages during a crisis situation:

Key Messages (See Appendix B):

Key messages are the core facts, themes, and talking points that guide all internal and external communication during a crisis. They ensure that everyone speaking or writing on behalf of the library communicates consistent, accurate, and reassuring information to the public, media, staff, and stakeholders.

In a crisis, clear key messages help to:

- Provide essential information quickly and accurately
- Reinforce the library's values and commitment to safety, service, and transparency
- Prevent the spread of misinformation
- Maintain trust and credibility with the community

These messages should be adapted as the situation evolves but always reflect the library's mission, the known facts, and alignment with the City of Evanston's official communications. The message templates provided in **Appendix B** will help guide the key messages, and can be adapted to fit different scenarios.

Guidelines:

1. Prioritize Accuracy Over Speed

- Communicate verified facts only. If information is still being gathered, acknowledge that and indicate when updates will be provided.
- Avoid speculation or assumptions.
- Confirm accuracy of information.
- Use official sources for confirming information before releasing statements.

2. Be Clear, Concise, and Accessible

- Use plain language that is easy for the general public to understand.
- Avoid jargon, overly technical terms, or acronyms unless explained.
- Provide translations or accessible formats when appropriate, based on community needs.

3. Align with City Messaging

- Coordinate with the City of Evanston Communications Team to ensure messages are consistent with citywide information and response efforts.
- In citywide or multi-agency incidents, defer to or align with messaging from the City's Communications Director.

4. Communicate Empathy and Responsibility

- Acknowledge the impact of the crisis on affected individuals or communities.
- Express concern, support, or regret as appropriate.
- Demonstrate the library's commitment to safety, equity, and public service.

5. Keep Internal and External Audiences Informed

- Tailor messages for different audiences: staff, patrons, media, partners, and city officials may need different levels of detail or focus.
- Ensure staff are briefed before or at the same time as the public to prevent misinformation and confusion.

Release messages in a timely way.

6. Maintain Message Consistency Across Channels

- All external communication platforms—website, social media, email, signage, media interviews, and in-person conversations—should reflect the same core message and tone.
- Designate a single point of contact for media inquiries to ensure controlled and unified communication.

7. Provide Clear Calls to Action

- Let audiences know what they need to do (e.g., avoid a location, check back for updates, follow safety guidance, etc.).
- Direct them to official channels for the latest information.

8. Update Regularly

- Provide updates as new information becomes available, even if the situation remains unchanged, to maintain transparency and public trust.
- Timestamp all public updates and maintain an internal log of all communications.

Message Approval Process

In the event of a crisis affecting the Evanston Public Library, a streamlined, accountable communication approval process ensures accurate, timely, and unified messaging aligned with City of Evanston protocols. (See **Appendix B** for sample messages)

- Message Drafting: The Marketing & Communications Manager is responsible for drafting initial internal and/or public-facing crisis communications (press releases, social media posts, website alerts, staff updates, etc.).
- The draft should include:
 - o A concise summary of the situation
 - Key facts known at the time

- Response actions underway
- Patron/staff guidance
- City-approved language, if applicable
- Internal Review: The Executive Director or Assistant Director reviews the draft for accuracy, tone, clarity, and alignment with EPL and City messaging standards.
- The Executive Director/Assistant Director may request edits or clarification before forwarding.
- Executive Approval
 - The Executive Director has final approval authority for all EPL crisis messages.
 - In the Executive Director's absence, the Assistant Director is authorized to approve.
- Coordination with City of Evanston
 - All final crisis communications must be shared with the City of Evanston Communications Office for alignment and coordination before public release.
 - In the case of a citywide or multi-departmental crisis, EPL messaging must defer to and be approved by the City's Communications Director.
- Message Release:
 - Upon all necessary approvals, the Marketing & Communications
 Manager publishes or distributes the message through appropriate channels (email, website, social media, signage, press, etc.).
 - Ongoing updates are provided to the previously used communications channels.
- Updates or changes follow the same approval flow:
 Marketing Manager → Assistant Director → Executive Director → City
 Communications Office (if applicable).

IX. Media Relations

In a crisis, media inquiries must be handled with care, consistency, and coordination to protect the credibility of the Evanston Public Library and the City of Evanston. The following guidelines ensure that all media communications are accurate, appropriate, and aligned with city protocols:

1. Release Statements via designated spokespersons only:

Only the Executive Director, Assistant Director, or a designated City of Evanston Communications Officer may speak to the media on behalf of the Evanston Public Library during a crisis. Staff members should not speak to reporters or provide comments unless explicitly authorized.

2. Refer Media to the Proper Contact

All media inquiries should be promptly directed to:

- EPL Executive Director or Assistant Director
- COE Communications Staff (If the situation is citywide or sensitive in nature)
- EPL Designated Spokesperson such as the Communications Manager

3. Coordinate with the COE before responding to media requests

Stay in contact with the COE Communications team while responding to ongoing or sudden crises.

4. Stay on Message

Spokespersons should:

- Stick to approved key messages and facts
- Avoid speculation or assigning blame

 Redirect off-topic or sensitive questions to official statements or the City's Public Information Officer (PIO)

5. Maintain a Calm, Professional Tone

Speak clearly and calmly. Express empathy and a commitment to transparency and public safety. Do not respond to confrontational or leading questions emotionally.

6. Record and Document

Keep a log of all media inquiries, who responded, and what was said. Save copies of any statements or interviews for EPL's internal crisis documentation.

X. Define Crisis Communications Policy

- 1. All crises should be immediately reported to the EPL Executive Director, the EPL Assistant Director, The Safety Manager and Communications Manager. They will notify the City of Evanston Crisis and Communications Teams.
- 2. Only the Executive Director, Assistant Director and the Communications Manager are authorized to release information to the media and the public.
- **3.** All media inquiries should be directed to the Communications Manager.
- **4.** If a question is asked of a staff member and they do not have the answer, they should not respond "no comment". Staff should always respond "Please send/write down your question and a representative will get back to you as soon as possible."
- 5. Board of Trustees members are not authorized to release public statements during a crisis. All media inquiries must be referred to the Executive Director, Assistant Director, or Communications Manager. Trustees may, however, reinforce official library messages in one-on-one conversations with community members, civic leaders, and donors, provided they use approved talking points.

XI. Ongoing Crisis Management:

- 1. Executive Director & Assistant Director: Direct staff to maintain their emergency protocols as needed and keep procedures and documentation up to date at all times. They will also inform management of emerging potential threats and crises as needed. Conduct an annual vulnerability check-up to assess the probability of a crisis in the future.
- 2. Communications Manager: Maintains an ongoing relationship with the City of Evanston's Communications Department in order to collaborate and coordinate messaging in all emergency and crisis situations. Keeps all communications and messaging accounts up-to-date with quick access. Maintains all safety and crisis communications training and manuals to stay updated on the most effective communications methods.
- 3. Facilities & Safety Supervisor Managers: On an ongoing basis, the Facilities Manager directs staff to maintain emergency systems and participate in planning and drills to ensure the library is prepared for future incidents. Post-crisis, they coordinate necessary repairs and recovery efforts. After the crisis, they conduct a post-incident review, assist with staff de-briefings, and update safety protocols based on lessons learned. They also maintain emergency supplies, and ensure staff are well-prepared for a variety of emergency scenarios.

4. All Staff: Ongoing Training

- Bi-Annual training for all staff
- Regular updates via our internal communications actions
- Updating staff intranet with crisis procedures, etc.
- On an ongoing basis, they participate in safety training

5. Crisis Communications Plan Review and Maintenance

- Plan owner Maintains all facets of CCP (e.g., Communications Manager)

Continuity of Operations Plan (COOP)

Evanston Public Library

Effective Date: 9.17.25

1. Executive Summary / Purpose

The Evanston Public Library Continuity of Operations Plan (COOP) serves as a companion to the Library's Crisis Communications Plan and is designed to ensure that essential library services can continue—and recover quickly—in the event of an emergency. Potential disruptions may include natural disasters, power outages, pandemics, or cyberattacks.

This plan also outlines how Evanston Public Library (EPL) will support the City of Evanston's emergency response and is structured to align with the City's COOP, once finalized. Placeholders are included where City details are pending.

Because EPL is a component unit of the City of Evanston but operates in its own facilities under the management of the Library Executive Director, it is critical to have a Library-specific COOP. EPL will defer first to the City's directives. If City guidance is not immediately available, the library board will be informed and authority will proceed in the following order of succession: Executive Director, Assistant Director, Facilities Manager.

The Library Board of Trustees shall be kept advised of emergency conditions and will retain authority over extraordinary financial approvals consistent with its bylaws. In circumstances

where a quorum cannot be achieved due to the emergency, the Board's designated officers may act under temporary delegated authority to ensure continuity of essential financial decision-making.

This plan establishes the roles, responsibilities, communication protocols, and recovery procedures necessary to maintain core library operations during emergencies while ensuring coordination with the City of Evanston.

2. Purpose

The purpose of the Evanston Public Library COOP is to:

- Ensure the Library can maintain and restore essential functions during and after emergencies.
- Protect the Library's ability to provide critical services, safeguard staff and patrons, and support the City's overall emergency response and recovery efforts.
- Minimize disruptions, protect assets, and enable a timely recovery.

3. Scope

This plan applies to:

- All Evanston Public Library facilities, staff, resources, systems, and services.
- Events that disrupt normal operations (e.g., natural disasters, utility failures, pandemics, technological disruptions, security incidents).

This plan:

- Complements and aligns with the City of Evanston's COOP.
- Applies specifically to responsibilities under the authority of the EPL Executive Director and successors.

 Excludes City-managed activities such as citywide emergency communications and facilities not under EPL control.

4. Objectives

The objectives of the Evanston Public Library COOP are to:

- 1. Identify and protect essential library functions
- 2. Establish clear leadership succession and authority
- 3. Protect the safety and well-being of staff and patrons
- 4. Ensure continuity of communications internally and externally
- 5. Safeguard essential records, digital systems, and resources

MEMORANDUM

To: Evanston Public Library Board of Trustees

From: Wynn Shawver, Development Manager

Subject: For Approval: Draft PEPL and EPL Memorandum of Understanding

Date: October 15, 2025

Recommended for Action:

I recommend that the Board approve the attached draft Memorandum of Understanding as outlined in this memorandum.

Background:

This Memorandum of Understanding (MOU) between the Evanston Public Library (EPL) and the Partners of the Evanston Public Library (PEPL) is a new agenda item. This MOU is in draft form and has been reviewed and approved by the City Attorney's Office. Once approved by the EPL Board of Trustees and the PEPL Executive Board, the two parties may enact the MOU. Thank you in advance for your consideration.

Attached please find the current draft of the MOU between the EPL and the PEPL. As outlined in the Strategic Development Advancement Plan (SDAP) that was approved in April, we are working to develop robust volunteer fundraising efforts that will assist in building and soliciting new audiences for fundraising purposes. This MOU documents the ways in which the Evanston Public Library and the Partners of the Evanston Public Library agree to collaborate to reach our shared goals.

I am requesting that the Board review this document in advance of our upcoming meeting and approve it on Wednesday, October 15. We intend to enable both parties to review and approve the content of this MOU in October and enact it no later than November 2025.

Once this draft is approved by the EPL Board of Trustees and the PEPL Executive Board, the two parties may enact the MOU.

MEMORANDUM OF UNDERSTANDING (MOU)

between the

Evanston Public Library (EPL)

and the

Partners of the Evanston Public Library (PEPL)

I. Purpose

This Memorandum of Understanding (MOU) outlines the collaborative relationship between the Evanston Public Library ("Library"), and the Partners of the Evanston Public Library (PEPL), an Illinois not-for-profit 501(c)(3) organization. Together, the Parties seek to enhance equitable access to literacy, increase community engagement, and grow philanthropic support in alignment with the Library's mission, strategic plan, and commitment to Diversity, Equity, Inclusion, and Belonging (DEIB).

II. Background

The Evanston Public Library serves as a vital civic hub, fostering access to knowledge, culture, and opportunity for all residents. Guided by its strategic plan and DEIB framework, the Library is committed to:

• Ensuring every resident—regardless of race, background, or ability—can participate in a rich intellectual and cultural life.

- Supporting all children in developing early literacy, school readiness, and lifelong learning skills.
- Celebrating community diversity and reducing barriers to access and participation.

- Raise \$10,000 in donations in 2025, with progressively higher goals through 2027 in alignment with the goals of the Strategic Development Advancement Plan.
- Support EPL Development in foundation and corporate outreach, as needed
- Assist with annual donor recognition programs.
- Co-host one annual fundraising event and participate in 2-3 additional fundraising efforts initiated and led by the Library, plus create a "PEPL Pop Up" presence at 3-5 other community engagement events per year.

Upon termination, PEPL agrees to cease use of the Library's name, logo, or identifying marks and return any donor data, funds, or materials held on behalf of the Library. This agreement automatically terminates if either Party dissolves or is otherwise legally restructured.
